

## **SP 19.8 Reporting Socioeconomic Participation**

### **Substantive changes made for the 3-30-06 revision:**

1. Changes SI references to SP.
2. Adds the definition of Small Business (SB) concerns and uses this term throughout the SP.
3. Moves the exceptions to SCOPE to its own paragraph.
4. Refers to SP 19.1 where the socioeconomic definitions are now located.
5. Replaces SIC with NAICS throughout.
6. Uses current titles and offices when referenced in the SP.
7. Updates the language in the “Representations and Certifications” section to be consistent with procedures in SP 19.1, *Socioeconomic Programs – General*. Also, identifies the SB&SMO as the organization that consults with the DOE Contracting Officer and refers cases to the U.S. Small Business Administration (SBA), when it appears that a firm has misrepresented its socioeconomic status.
8. Adds a section under “PROCEDURES” entitled “Obtaining and Reporting Socioeconomic Statistics” that was previously only briefly covered under “RESPONSIBILITIES, for the Procurement Support Group.”
9. Modifies the bullets in the “Documentation” section by deleting “Acquisition value” and re-wording and consolidating other bullets.
10. Adds a reference to Prime Contract, Appendix H.
